

A Letter to Another Editor

to *Ask Oxford Magazine*

(“*feedback* KEEP US POSTED—take a minute to let us know [etc.]
... and if you would like the next edition [etc.]” answer : YES)

Dear Sir,

Ref. p. 6 para 2. “The best [i.e. dictionaries] ... describe words
... ; the least useful ... prescribe how words must be used.” Does
O.U.P. maintain a similar distinction in treating of the conventions of
grammar? A reply would be much appreciated.

Mr D. Hopkins
